# WHITTLESEY UNIVERSITY

## SPRING CLASS SERIES

Join us Saturdays starting February 17  
Classes take place from 10am - 2pm at both our  
Round Rock and South Austin locations.

### February 17 – Pruning

Dormant pruning to rejuvenate plant's health and shape.

### February 24 – Project Planning

Finalize plans for spring landscaping projects.

### March 3 – Spring Clean Up

Remove all leaves, sticks, and debris from the landscape.  
Reestablish bed edges. Mulch your flower beds.

### March 10 – Top Dressing/Aeration

Topdressing your lawn can replenish depleted nutrients that  
your grass needs to thrive.

### March 17 – Planting

Proper planting techniques to insure proper growth.

### March 24 – Spring Fling

Pruning, project planning, spring clean-up, topdressing, and  
planting experts, all in one place!

### March 31 – Patios

Whether you're a do it yourselfer or thinking of hiring a pro,  
this beginner class helps you understand what makes a  
long-lasting patio.

### April 7 – Irrigation

Trouble shooting techniques for getting your irrigation system  
in tip top shape for the upcoming summer heat.

### April 14 – Raised Garden Beds

Basics on installing a raised garden bed.

### April 21 – Edging

Learn everything there is to know about the different edging  
options for your flower beds.

### April 28 – Summer Smash
